EXPUNGEMENT ATTORNEY / 01

MAP THE OFFICIAL ROUTE WITHOUT CASE FACTS

Use neutral labels only. Keep identities, numbers, dates, charges, dispositions, fingerprints, documents and case facts outside this worksheet.

A helpful preparation resource from PickYourPro.ai. Fill in digitally or print. Keep your completed copy private.

Matter A / neutral label / no case number or person identity

State, federal, tribal, military or other route to verify

Court, agency or identification-bureau name if already known

General record type exists / no charge, date or disposition detail

Current public-source question / attorney verifies terminology

Help sought / attorney confirms available role

Preparation only. Not legal advice, eligibility analysis, record interpretation, filing instructions, forms, deadlines, strategy, representation or a promised result. No attorney-client relationship. Keep identities, case details and records out.

EXPUNGEMENT ATTORNEY / 02

INDEX RECORDS, SCOPE AND RESPONSIBILITIES

Map what exists and what each attorney proposes to review or do. Do not decide eligibility or follow filing instructions here.

Private records to gather / type only / no facts or copies

Official court, agency or record source the attorney will verify

Eligibility analysis and record-review boundary

Preparation, filing, service, follow-up or appearance boundary

Attorney, staff and client tasks / communication channel

Fees, expenses, additional work and closeout deliverables

Preparation only. Not legal advice, eligibility analysis, record interpretation, filing instructions, forms, deadlines, strategy, representation or a promised result. No attorney-client relationship. Keep identities, case details and records out.

EXPUNGEMENT ATTORNEY / 03

CHECK CONSULTATION READINESS

Tick what is organized. These checks do not establish eligibility, select a procedure, calculate a deadline or create representation.

- [ ] Every attorney receives the same non-confidential Matter A brief
- [ ] Names, numbers, charges, dates, dispositions and records stay outside
- [ ] Official routing is separated from eligibility analysis
- [ ] Private record types are indexed without copying facts
- [ ] Court, agency and record sources to verify are requested
- [ ] Analysis, preparation, filing, follow-up and appearances are distinguished
- [ ] Roles, communication, fees and changed work are requested
- [ ] Secure transfer, final copies and remaining responsibilities are requested

Open court, agency, jurisdiction or terminology question

Unclear record-review, legal-analysis, filing or appearance boundary

Missing communication, fee, secure-transfer or closeout detail

Preparation only. Not legal advice, eligibility analysis, record interpretation, filing instructions, forms, deadlines, strategy, representation or a promised result. No attorney-client relationship. Keep identities, case details and records out.

EXPUNGEMENT ATTORNEY / 04

QUESTIONS FOR THE EXPUNGEMENT ATTORNEY

Record the answer and where it appears in engagement terms or other written material. Discuss private facts securely.

Route: which court, agency, jurisdiction and terminology must be verified?

Records: what is gathered privately, from whom and through which channel?

Analysis: what eligibility and record review are included?

Scope: what preparation, filing, follow-up or appearance is included?

Terms: how are roles, communication, fees and additional work handled?

Closeout: what copies, status and remaining responsibilities are provided?

Preparation only. Not legal advice, eligibility analysis, record interpretation, filing instructions, forms, deadlines, strategy, representation or a promised result. No attorney-client relationship. Keep identities, case details and records out.

EXPUNGEMENT ATTORNEY / 05

COMPARE THE SAME NON-CONFIDENTIAL BRIEF

Use Attorney A and B. Clarify unlike route, record, analysis, representation or handoff assumptions before comparing engagements.

Attorney A / B / consultation dates / shared Matter A brief

Official-route verification and private-record review - A / B

Analysis, preparation, filing, follow-up and appearances - A / B

Roles, communication, fees, closeout and exclusions - A / B

READY TO HEAR FROM PROS?

Create an account on PickYourPro.ai only if you choose, then start an Expungement Attorney request. Share a non-confidential Matter A official-route, private-record index and representation-scope brief so participating pros can compete with proposals. Compare relevant experience, included legal analysis and representation, filings or appearances, communication, fees, expenses, document handoff, exclusions and fit. A private consultation, conflicts check and secure record review may be needed before engagement.

One request. Every pro's best offer.
