FURNITURE ASSEMBLY / 01

INVENTORY ITEMS, CARTONS AND INSTRUCTIONS

Use neutral labels. Keep addresses, codes, receipts and household details outside.

A helpful preparation resource from PickYourPro.ai. Fill in digitally or print. Keep your completed copy private.

Item A / product name or model

Carton A / count and visible condition

Current manufacturer instructions / source

Room A / intended placement

Known missing, damaged or substitute part

Owner-supplied accessory or tool question

Preparation only. Not furniture engineering, structural, mounting, anchoring, electrical, childproofing, product-safety, recall, warranty, accessibility or legal advice. Follow current manufacturer instructions and notices.

FURNITURE ASSEMBLY / 02

MAP ROOM READINESS AND WORK BOUNDARIES

Record access and responsibility questions; do not select anchoring hardware or methods here.

Path A / doorway, stairs, turns or elevator

Clear workspace and surface-protection plan

Assembly and placement responsibility

Anchoring / wall or floor review question

Packaging, old-item or debris responsibility

Stop-and-approve trigger and contact route

Preparation only. Not furniture engineering, structural, mounting, anchoring, electrical, childproofing, product-safety, recall, warranty, accessibility or legal advice. Follow current manufacturer instructions and notices.

FURNITURE ASSEMBLY / 03

CHECK FURNITURE-ASSEMBLY READINESS

Tick what is organized. These checks do not approve installation, anchoring or product suitability.

- [ ] Every provider receives the same Item A inventory
- [ ] Each item has a destination room
- [ ] Current instructions are identified
- [ ] Carton condition and parts questions are noted
- [ ] Access and workspace are described
- [ ] Assembly and anchoring are separated
- [ ] Exceptions require approval before extra work
- [ ] Completion and cleanup are itemized

Open item, carton or instruction question

Unclear access, placement or anchoring boundary

Missing exception, cleanup or completion handoff

Preparation only. Not furniture engineering, structural, mounting, anchoring, electrical, childproofing, product-safety, recall, warranty, accessibility or legal advice. Follow current manufacturer instructions and notices.

FURNITURE ASSEMBLY / 04

QUESTIONS FOR THE HANDYMAN

Record the answer and where it appears in the proposal or completion note.

Inventory: which items and cartons are included?

Readiness: what access and workspace are required?

Anchoring: what is included and what must be reviewed?

Exceptions: how are damage or missing parts handled?

Cleanup: who handles packaging and old items?

Handoff: what item-level completion checks return?

Preparation only. Not furniture engineering, structural, mounting, anchoring, electrical, childproofing, product-safety, recall, warranty, accessibility or legal advice. Follow current manufacturer instructions and notices.

FURNITURE ASSEMBLY / 05

COMPARE THE SAME ITEM A INVENTORY

Use Provider A and B. Clarify unlike item, anchoring or cleanup assumptions before comparing proposals.

Provider A / B / proposal dates / shared inventory

Items, instructions, rooms and access - A / B

Assembly, anchoring and exception boundaries - A / B

Completion checks, cleanup, exclusions and fit - A / B

READY TO HEAR FROM PROS?

Create an account on PickYourPro.ai only if you choose, then start a Handyman request for furniture assembly. Share the same non-sensitive Item A inventory so participating pros can compete with proposals. Compare included items, room and access assumptions, instruction review, anchoring boundaries, exception handling, packaging, completion checks, exclusions and fit. A provider-led item, instructions, wall or floor and room review may be needed before a final proposal.

One request. Every pro's best offer.

Start a request

Participation varies. A provider-led item, instructions, wall or floor and room review may be needed before a final proposal.
