CHECK THE EVENT HANDOFF PACKET

Tick what is organized. These checks do not approve a device, site, setup, operation or weather decision.

- [ ] Device and setup-zone labels are neutral and consistent
- [ ] Addresses, credentials and attendee details are kept private
- [ ] Site conditions remain provider or venue assessment questions
- [ ] Delivery and setup-confirmation roles are requested in writing
- [ ] Operating and supervision roles are separated by party
- [ ] Weather decisions have a named responsible role
- [ ] Collection and unresolved-item handoffs are documented
- [ ] No setup, anchoring, operation or emergency instruction is recorded

Device or site question still open / responsible professional

Operating or weather-role question still open / responsible party

Collection or condition-note question still open / proposal reference

Preparation only. Not equipment selection, setup, anchoring, power, operation, supervision, weather, emergency, venue, code, permit, insurance, contract or legal advice. No approval to set up or operate.

QUESTIONS FOR THE INFLATABLE PROVIDER

Ask every provider the same device, site, role, weather and collection questions.

Device: how will you confirm fit for the event and proposed zone?

Site: what must qualified parties review before final scope?

Setup: what delivery and written setup handoff will you provide?

Operation: who owns each operating and supervision role?

Weather: who monitors conditions and makes stop or restart decisions?

Collection: how are timing, condition notes and open items handled?

Preparation only. Not equipment selection, setup, anchoring, power, operation, supervision, weather, emergency, venue, code, permit, insurance, contract or legal advice. No approval to set up or operate.

COMPARE THE SAME EVENT BRIEF

Use Providers A and B with the same device and zone labels. Clarify differences before choosing a provider.

Providers A / B / proposal versions / discussion dates

Device, site review and access handoffs - A / B

Setup confirmation, operating and weather roles - A / B

Collection, condition notes and unresolved items - A / B

READY TO HEAR FROM PROS?

Create an account on PickYourPro.ai only if you choose, then start a Bounce Houses & Inflatables request. Share a non-sensitive device, site-question, role and handoff brief so participating pros can compete with proposals. Compare written scope, responsibilities, timing and fit. A provider-led device, site and event review may be needed before a final proposal.

One request. Every pro's best offer.
