IOWA ELECTRICAL RECORD MATCH / 01

MATCH ONE PROPOSAL CLAIM

DIAL records index > Electrical Licenses. Use a separate copy for each business or individual role; no match is assumed.

A helpful preparation resource from PickYourPro.ai. Fill in digitally or print. Keep your completed copy private.

Provider label / proposal date and reference / credential statement being clarified

Claim concerns business or individual role? / role as described / still unclear?

Public record name and number supplied by provider / source reference

Search date / person-name or business-name query / number query if used

License type, licensing status and location filters actually used / blank filters

Result display name, number, type and status as shown / or no clear match

Preparation only. Not an official form, credential certification, provider endorsement, work authorization, permit or legal decision. Do not test equipment. Keep private details out.

IOWA ELECTRICAL RECORD MATCH / 02

KEEP THE MATCH QUESTION OPEN

Use the same claim label. A returned license record is not a permit decision, work authorization or endorsement.

Claim label / public result reference / expiration date as displayed / checked date

What differs: proposal name, record name, number, role, type or status?

Question for provider / explanation reference / does it address this exact claim?

Question for DIAL or appropriate authority / reply reference or still awaited

Later check date / filters used / changed result or unresolved match

Separate work-scope or permit question / responsible contact / no conclusion inferred

Preparation only. Not an official form, credential certification, provider endorsement, work authorization, permit or legal decision. Do not test equipment. Keep private details out.

CHECK THE IOWA RECORD COMPARISON

Tick what is organized. These checks do not certify credentials, choose a provider or permit work to begin.

- [ ] DIAL's Electrical Licenses link was used
- [ ] Electrical Permit was not treated as the license search
- [ ] Each proposal claim has its own record-matching notes
- [ ] Search date and actual filters are recorded
- [ ] Returned name, number, type and status were copied without inference
- [ ] Missing or ambiguous matches remain unresolved
- [ ] No provider or current status is endorsed by this workbook
- [ ] Private contact, identity and property-access details are excluded

Business and individual claims still not clearly separated / questions to ask

Search results or explanations still ambiguous / original references retained

Separate scope, permit or authority questions / who will clarify / reply awaited

Preparation only. Not an official form, credential certification, provider endorsement, work authorization, permit or legal decision. Do not test equipment. Keep private details out.

IOWA ELECTRICAL RECORD MATCH / 04

QUESTIONS ABOUT THE PROPOSED ROLES

Ask the provider for references and explanations. Ask DIAL or the appropriate authority about applicability.

Role: which business or individual does each credential claim concern?

Record: which public number, display name and license type should I compare?

Names: if proposal and record names differ, what explains the relationship?

Unclear match: who will clarify a missing or inconsistent result with DIAL?

Responsibility: how are parties and their proposed work roles identified?

Separate questions: what scope or permit points remain, and how are revisions linked?

Preparation only. Not an official form, credential certification, provider endorsement, work authorization, permit or legal decision. Do not test equipment. Keep private details out.

IOWA ELECTRICAL RECORD MATCH / 05

COMPARE CLAIMS WITHOUT ENDORSING THEM

Use Providers A and B with the same work brief. Compare clarity and open questions, not assumed permission to work.

Provider A / B / proposal dates / same work brief and role questions

Business and individual claims / public record references / check dates - A / B

Name, type or status mismatches / explanations / questions still open - A / B

Separate scope, permit questions, responsibility and written terms - A / B
