MOBILE BEAUTY HANDOFF / 01

BUILD THE MOBILE SERVICE-SITE BRIEF

Use neutral labels. Keep exact locations, participant identities, photos, access details and health information private.

A helpful preparation resource from PickYourPro.ai. Fill in digitally or print. Keep your completed copy private.

Site A / home, hotel, venue or other setting type / no address

Person A / Service A requested / no name or health detail

Person B or group / requested services / coordination question

Arrival and appointment window / host or coordinator role

Access or building-process question / private reply route

Provider information still needed before confirming the setting

Preparation only. Not product, ingredient, sensitivity, reaction, health, sanitation, ventilation, equipment, service, location, credential, licensing, safety or legal advice. Keep private details out.

MOBILE BEAUTY HANDOFF / 02

MAP SETUP, PRODUCT QUESTIONS AND CHANGES

Ask the provider to define requirements. Do not prescribe product use, sanitation, ventilation or equipment here.

Provider-defined space, utility, light, ventilation or privacy prerequisite

Provider equipment and supplies / host contribution / still unclear

Setup, participant transition and cleanup roles / time allowance

Product or label reference / question / provider or manufacturer route

Private sensitivity or health question / appropriate professional route only

Site, service, person or provider change / answers to reconfirm

Preparation only. Not product, ingredient, sensitivity, reaction, health, sanitation, ventilation, equipment, service, location, credential, licensing, safety or legal advice. Keep private details out.

CHECK THE APPOINTMENT-READY HANDOFF

Tick what is organized. These checks do not approve a service, product, provider or location.

- [ ] Neutral person, service, provider and site labels are consistent
- [ ] No names, addresses, photos, access codes or health details are recorded
- [ ] The provider defines all space and setup prerequisites
- [ ] Host, provider and participant responsibilities are separated
- [ ] Product and label questions have an appropriate reply route
- [ ] Requested services and appointment windows are provider-confirmed
- [ ] Setup, transitions, cleanup and contingency questions are written
- [ ] Changed people, services, providers or sites trigger reconfirmation

Open site or prerequisite question / provider response owner

Open product or private suitability question / appropriate route

Schedule, setup, cleanup or change detail still to confirm

Preparation only. Not product, ingredient, sensitivity, reaction, health, sanitation, ventilation, equipment, service, location, credential, licensing, safety or legal advice. Keep private details out.

MOBILE BEAUTY HANDOFF / 04

QUESTIONS FOR THE MOBILE BEAUTY PROVIDER

Ask each provider the same site, setup, product-question, timing and change questions.

Site: what information and private follow-up do you need before confirmation?

Setup: what space and utility arrangements do you define and provide?

Products: how are label, ingredient or sensitivity questions routed?

Roles: who handles setup, transitions, cleanup and host coordination?

Schedule: how are services, provider assignments and windows confirmed?

Changes: what must be reconfirmed when the plan changes?

Preparation only. Not product, ingredient, sensitivity, reaction, health, sanitation, ventilation, equipment, service, location, credential, licensing, safety or legal advice. Keep private details out.

MOBILE BEAUTY HANDOFF / 05

COMPARE THE SAME MOBILE APPOINTMENT

Use Provider A and B. Compare the same neutral services and Site A context.

Provider A / B / proposal dates / shared service-site brief

Provider-defined prerequisites, equipment and host roles - A / B

Product-question route, setup, transitions and cleanup - A / B

Appointment plan, contingencies, changes, written terms and fit - A / B

READY TO HEAR FROM PROS?

Create an account on PickYourPro.ai only if you choose, then start a Mobile Beauty Services request. Share a non-sensitive service-site and responsibility brief so participating pros can compete with proposals. Compare provider-defined prerequisites, setup and cleanup roles, product-question process, appointment plan, changes, timing, written terms and fit. A private provider-led service and site conversation may be needed before a final proposal.

One request. Every pro's best offer.

Start a request

Participation varies. A private provider-led service and site conversation may be needed before a final proposal.
