RECURRING CHEF SESSION PLAN / 01

GIVE EACH SESSION ITS OWN PLAN

Use Session A and B instead of household identities. Keep health and dietary details in private professional conversations.

A helpful preparation resource from PickYourPro.ai. Fill in digitally or print. Keep your completed copy private.

Session A: timing to discuss / preferred arrangement / non-sensitive goal

Session A: proposed menu reference and version / chef-confirmed scope

Session A: menu-review role / confirmation reference / open question

Session B: timing to discuss / preferred arrangement / non-sensitive goal

Session B: proposed menu reference and version / chef-confirmed scope

Session B: menu-review role / confirmation reference / open question

Preparation only. Not food-handling, storage, reheating, nutrition, allergy, health, safety or legal advice. No suitability or credential verification. Keep private details out.

RECURRING CHEF SESSION PLAN / 02

CONNECT MENU CHANGES AND FEEDBACK

Point to the chef's records. Do not copy or invent preparation, storage or reheating instructions.

Change 1: session and menu version / requested change reference

Change 1: chef reply reference / current confirmed menu / unresolved point

Change 2: session and menu version / requested change reference

Change 2: chef reply reference / current confirmed menu / unresolved point

Session handoff: meal-label and chef-instruction record references / question contact

Next session: non-sensitive preference feedback / chef reply / next review reference

Preparation only. Not food-handling, storage, reheating, nutrition, allergy, health, safety or legal advice. No suitability or credential verification. Keep private details out.

RECURRING CHEF SESSION PLAN / 03

CHECK BEFORE THE NEXT SESSION

Tick when discussed. Confirmation records do not establish food safety, suitability or professional credentials.

- [ ] Each session has its own label and menu reference
- [ ] Preferred and confirmed service arrangements are separate
- [ ] Requested changes identify the affected menu version
- [ ] Chef replies distinguish confirmed and unresolved changes
- [ ] The final-menu review role and reference are clear
- [ ] Included shopping, preparation, service or delivery roles are discussed
- [ ] Chef-provided records have a known location and question contact
- [ ] Non-sensitive feedback is carried to the next review

Responsibility still unclear / session / question for the chef

Record not received or unclear / chef contact role / follow-up

Next menu review / feedback reference / unanswered question

Preparation only. Not food-handling, storage, reheating, nutrition, allergy, health, safety or legal advice. No suitability or credential verification. Keep private details out.

RECURRING CHEF SESSION PLAN / 04

QUESTIONS FOR A RECURRING CHEF

Ask each provider about the same session plan. Keep private intake information out of this comparison.

Arrangement: which recurring options and session deliverables do you offer?

Menu review: how will proposed menus and versions reach me?

Changes: how are requests, replies and the current menu distinguished?

Responsibilities: what shopping, preparation, service, cleanup or delivery is included?

Handoff: what meal-label or instruction records do you provide and explain?

Continuity: how do feedback, schedule changes and open questions reach the next session?

Preparation only. Not food-handling, storage, reheating, nutrition, allergy, health, safety or legal advice. No suitability or credential verification. Keep private details out.

RECURRING CHEF SESSION PLAN / 05

COMPARE ONE RECURRING SESSION PLAN

Use Chef A and B in each box. Compare the same arrangement without treating a menu as a safety assurance.

Chef A / B / common session-plan reference / discussion dates

Arrangement, included responsibilities and session deliverables - A / B

Menu versions, change confirmation and chef-record handoff - A / B

Fee basis, timing, feedback process, exclusions and open questions - A / B

READY TO HEAR FROM PROS?

Create an account on PickYourPro.ai if you choose, then start a Private Chef request. Describe your recurring-session goals without private household or health information so participating pros can compete with proposals. Compare service arrangement, menu-review process, responsibilities, timing, fee basis and follow-up.

One request. Every pro's best offer.

Start a request

Participation varies. A private intake and session-planning conversation may be needed before confirming service.
