SHOWER REPLACEMENT / 01

MAP THE EXISTING SHOWER AREA

Record known observations only. Keep the address, identities, health details, access information and private photos outside this worksheet.

A helpful preparation resource from PickYourPro.ai. Fill in digitally or print. Keep your completed copy private.

Room A / general shower type / no address

Current shower-area observation / no diagnosis

Retained fixture, finish or adjoining area 1

Retained fixture, finish or adjoining area 2

Requested outcome or preference / provider verifies feasibility

Access, timing or temporary-use constraint / no private detail

Preparation only. Not design, measurement, demolition, waterproofing, structural, plumbing, electrical, ventilation, accessibility, lead, code, permit, contract or legal advice. Keep property and occupant details private.

SHOWER REPLACEMENT / 02

DEFINE RESPONSIBILITIES AND HANDOFFS

Ask the provider to define responsibility boundaries without treating this sheet as a design or work instruction.

Inspection, measurement and investigation boundary

Protection, removal, disposal and adjacent-finish boundary

Base, enclosure, finish and fixture selection responsibility

Plumbing, ventilation, electrical or other trade handoff

Owner-supplied item / ordering / delivery / storage responsibility

Change approval / completion record / unresolved-item handoff

Preparation only. Not design, measurement, demolition, waterproofing, structural, plumbing, electrical, ventilation, accessibility, lead, code, permit, contract or legal advice. Keep property and occupant details private.

SHOWER REPLACEMENT / 03

CHECK PROPOSAL READINESS

Tick what is organized. These checks do not approve products, methods, conditions or work.

- [ ] Every provider receives the same non-sensitive brief
- [ ] Private property and occupant details stay outside
- [ ] Known observations and provider assessments are separated
- [ ] Retained and replaced items are distinguished
- [ ] Preferences and owner-supplied items are identified
- [ ] Protection, removal and handoff responsibilities are requested
- [ ] Changed work has an evidence and approval route
- [ ] Closeout records and unresolved items are requested

Open existing-area, retained-item or access question

Unclear selection, responsibility or trade-handoff boundary

Missing change, closeout, warranty or unresolved-item detail

Preparation only. Not design, measurement, demolition, waterproofing, structural, plumbing, electrical, ventilation, accessibility, lead, code, permit, contract or legal advice. Keep property and occupant details private.

SHOWER REPLACEMENT / 04

QUESTIONS FOR THE SHOWER-REPLACEMENT PROVIDER

Record the answer and where it appears in the proposal, agreement or supporting material.

Verify: what must be inspected, measured or opened first?

Boundary: what removal, protection and adjacent repair are included?

Selections: how are products and owner-supplied items checked?

Handoffs: who coordinates trades, reviews and inspections?

Changes: what evidence and approval route apply?

Closeout: what records, open-item notes and warranty terms arrive?

Preparation only. Not design, measurement, demolition, waterproofing, structural, plumbing, electrical, ventilation, accessibility, lead, code, permit, contract or legal advice. Keep property and occupant details private.

SHOWER REPLACEMENT / 05

COMPARE THE SAME SHOWER BRIEF

Use Provider A and B. Clarify unlike verification, responsibility or closeout assumptions before comparing proposals.

Provider A / B / proposal dates / shared Room A brief

Verification, retained items, protection and removal - A / B

Selections, supplied items, trade handoffs and changes - A / B

Closeout records, unresolved items, warranty and exclusions - A / B

READY TO HEAR FROM PROS?

Create an account on PickYourPro.ai only if you choose, then start a Bathroom Remodeling request. Share a non-sensitive shower-area and responsibility brief so participating pros can compete with proposals. Compare verification boundaries, included responsibilities, selections, handoffs, changes, closeout, exclusions and fit. A provider-led site review and private product or property discussion may be needed before a final proposal.

One request. Every pro's best offer.

Start a request

Participation varies. A provider-led site review and private product or property discussion may be needed before a final proposal.
