TEXAS PLANNED TOW HANDOFF / 01

SORT THE TEXAS RECORD REFERENCES

Use neutral role labels. Record supplied public references and questions, not a provider endorsement.

A helpful preparation resource from PickYourPro.ai. Fill in digitally or print. Keep your completed copy private.

Provider A: stated company role / supplied TDLR record reference / match question

Other role: truck or operator reference supplied / who explains its involvement?

Storage role, if proposed: separate facility reference / question for the provider

TDLR hub: role page consulted / date / unanswered role question

TDLR active-license search: record reference / date / match still to clarify

TDLR consumer information: question topic / official page reference / next contact role

Preparation only. Not an official form, provider endorsement, emergency, release, dispute, vehicle-handling or legal guide. Keep identifiers and exact locations private.

TEXAS PLANNED TOW HANDOFF / 02

CONNECT PICKUP WITH THE DESTINATION

For a future planned tow only. Keep exact locations, personal contacts and vehicle identifiers private.

Vehicle A: provider's private information-request reference / unresolved assessment question

Pickup: coordinating role / arrangement confirmation reference / agreed timing discussion

Destination: receiving role / willingness-to-receive confirmation reference

Keys or documents: handoff record reference / transferring and receiving roles

Delivery: acknowledgment reference / receiving role / recorded delivery update

Exception: provider communication reference / unresolved point / next contact role

Preparation only. Not an official form, provider endorsement, emergency, release, dispute, vehicle-handling or legal guide. Keep identifiers and exact locations private.

CHECK THE PLANNED HANDOFF

Tick what is clarified. This is not a dispatch order, permission to move a vehicle or a release form.

- [ ] This discussion concerns a future owner-arranged service
- [ ] Provider and any separate storage roles are distinguished
- [ ] Supplied record references and lookup dates are recorded
- [ ] Unanswered record-match questions have a contact role
- [ ] Private identifiers and exact locations stay off these pages
- [ ] Pickup and destination arrangements have separate confirmations
- [ ] Keys, documents and receiving roles have handoff references
- [ ] Delivery acknowledgment is separate from unresolved questions

Open record-match question / provider response reference / further clarification needed

Changed pickup or destination arrangement / provider reply reference / next role

Delivery question / record requested / provider follow-up reference

Preparation only. Not an official form, provider endorsement, emergency, release, dispute, vehicle-handling or legal guide. Keep identifiers and exact locations private.

QUESTIONS FOR THE TOWING PROVIDER

Compare the same planned service. Ask the provider to assess the vehicle and locations privately.

Roles: which public TDLR references correspond to the proposed service roles?

Other parties: who explains the truck, operator or storage-facility involvement?

Assessment: what private vehicle and site information is needed before confirming scope?

Coordination: how are pickup and destination acceptance confirmed?

Handoff: what keys, document and delivery records will be provided?

Exceptions: who handles changed arrangements, record requests and follow-up?

Preparation only. Not an official form, provider endorsement, emergency, release, dispute, vehicle-handling or legal guide. Keep identifiers and exact locations private.

TEXAS PLANNED TOW HANDOFF / 05

COMPARE THE SAME PLANNED SERVICE

Use Provider A and B in each box. A lookup or a completed workbook is not a guarantee or authorization.

Provider A / B / discussion dates / same planned-service reference

Stated roles, supplied record references and unresolved matches - A / B

Pickup, destination confirmation, keys and delivery records - A / B

Fee basis, timing, scope changes, exclusions and follow-up - A / B

READY TO HEAR FROM PROS?

Create an account on PickYourPro.ai if you choose, then start a Towing request for a future planned service. Describe the coordination you need without private vehicle or location details so participating pros can compete with proposals. Compare scope, timing, fee basis and handoff. This is not emergency dispatch or a vehicle-release process.

Start a request

One request. Every pro's best offer.

Participation varies. Provider-led vehicle and location review may be needed. Not emergency dispatch.
