QUESTIONS FOR THE TIRE PROVIDER

Record the answer and where it appears in the proposal, authorization or final record.

Source: what supports the proposed Vehicle A fitment?

Products: which tires, wheels and quantities are included?

Services: what installation and accessories are included?

Changes: how are substitutions and added work approved?

Property: how are removed items and owner property handled?

Records: what itemized and product information returns?

Preparation only. Not tire selection, fitment, pressure, rating, installation, balancing, alignment, repair, replacement, recall, warranty, vehicle, technical, safety, contract or legal advice. Keep VIN, plate and private records out.

Removed property, final records, exclusions and fit - A / B

READY TO HEAR FROM PROS?

Create an account on PickYourPro.ai only if you choose, then start a Tires request for a tire package. Share the same non-sensitive Vehicle A and Package A brief so participating pros can compete with proposals. Compare fitment-source use, product and service inclusions, substitutions, authorization, removed-property handling, final records, exclusions and fit. A private vehicle-information review and provider-led inspection may be needed before a final proposal.

One request. Every pro's best offer.
