PLAN HOSTING AND THE END DATE

Tick what is discussed. Do not assume a tour stays available or can move to another provider.

- [ ] Each tour and review version has a neutral label
- [ ] Corrections and approval references are kept separate
- [ ] Each destination has a requirement-confirmation owner
- [ ] Intended audience and offered sharing arrangement are distinguished
- [ ] The delivered version and receipt contact will be recorded
- [ ] Hosting term, renewal and interruption questions have an owner
- [ ] Replacement and removal responsibilities will be agreed
- [ ] Handoff limits and unresolved items will be documented

Hosting contact role / agreed service period reference / review or renewal question

Replacement or removal: destination labels / decision role / provider-confirmed process

Handoff: available records or outputs / stated limits / unresolved question owner

Preparation only. Not capture, editing, embedding or access-control instructions; no privacy, legal or listing-rule determination. No platform feature, permanent hosting or transfer promise.

QUESTIONS FOR THE TOUR PROVIDER

Ask about the actual proposed service. A platform name alone does not answer the handoff questions.

Review: how do versions, corrections and approval references stay connected?

Content: what navigation, label and excluded-view questions need confirmation?

Delivery: who checks destination requirements and confirms the delivered version?

Audience: what sharing arrangement is offered, and what are its limitations?

Hosting: who handles the term, renewal, contact changes and interruptions?

Exit: how are replacement, removal, available outputs and handoff limits handled?

Preparation only. Not capture, editing, embedding or access-control instructions; no privacy, legal or listing-rule determination. No platform feature, permanent hosting or transfer promise.

COMPARE ONE TOUR DELIVERY PLAN

Use A and B for providers. Compare the same review needs, audiences and destination list.

Provider A / B / proposal dates / common tour and destination-list version

Review versions, corrections, approval references and delivery records - A / B

Offered sharing arrangement, hosting term and contact responsibilities - A / B

Replacement, removal, handoff limits, exclusions, terms and open questions - A / B
